HARRISON HIGH SCHOOL

Hailee Scott opened up this year's club meeting with a talent show (won by David Champion). There were almost 90 in attendance which is pretty amazing considering only 40 are ITS members so that's 50 other kids at Harrison wanting to be involved in theatre. Be at

BACK IN THE BLACK BOX 2018

Cabaret Show a HUGE Success!

43 songs, scenes, and monologues auditioned and were narrowed down to the 13 BEST to represent Harrison Theatre on August 25, 2018

We "opened" the Black Box with our cabaret theatre show entitled "Back in the Black Box". We had two performances; a 6:00 show with appetizers and an 8:30 show with desserts. We had a great turnout and excellent performances.

Will Simms and Lion Way served as emcees; Elle Kreun made sure that everything ran smoothly in the kitchen and with the service staff while Abbie Rice served as Stage Manager and kept the show running well. Congratulations to all!
